## Chicago Grabs Second of Series from Locals

Decision by Umpire McGreevey Aids White Sox to Humble Nationals, 5 to 2—McBride Is Banished from Game.

By WILLIAM PEET.

Chicago, Ill., Aug. 25.—Callahan's White Sox won the second game of the series from the Climber's today, 5 to 2, by jamming three hits into the second frame, and also by the aid of a rank decision on the part of Umpire McGreevey.

This decision was so manifestly unfair that even the Chicago fans hissed the indicator handler, going after him very much in the ame manner Washington rooters do when it is apparent that a blunder

Trust Company's Mainstay Slabman Holds East Washington Sunday School Leaguers to Three Bingles. Capital City Leaguers Win, 6 to 3.

By C. W. SWAN.

The same mability to hit Frank Hoffecker in the pinches which caused the defeat of the Petworth club twice in Section A of the post season series sent the Ninth club back east last night on the short end of a 6 to 3 count, with the Bankers holding on to the lead.

Hoffecker allowed just three hits. Two of these were hard hit balls, while the third was a weak tap to first base, on which two in-

balls, while the third was a wan beginning to the churchmen, was touched rather freely. Not a clean hit was registered off his delivery until the fifth frame, when a pair of doubles were bunched. Then in the several control of the churchmen, was touched the four strucks, including a

## Morris and Walter Star.

Fielding features galors were furnished by the outer gardeners. In the fourth session Monk Walter went back to the scoreboard after Hiddle's hard drive, while in the sixth inning Country Morris made one of the most spectacular plays ever witnessed in the park. Charley Brooms, a known right-field hitter, cut loose a line drive over the initial sack. Morris was off with the ball and just

lone a line drive over the initial mack. Morris was off with the ball and just managed to grab it at his snot tops. This blow came with one on, and saved at least one tally. Had the ball gotten by Morris, a double was the least Broome could have made.

601 Cassidy made a pretty pigy on travillage bounder in the fitth, holding Davis on second, while the general work of Pierce Höldite on first was of a tigh order. The Bankers' infledders were a little off in pegiting, and Hiddle was forced to take poor throws all the time-tharley fromme opened the first inning by grabbing a wild heave with his bare hand on Morris.

Cassidy reached third in the first inning, but was left siranded when Big Broome fanned. The Christians secred in the next frame, when M Broome walked, went to second on a wild pitch, and counted on Hayes' error of Rountree's bounder. The Bankers went the Christians on better in the simine seasion, when Myers opened the frame with a walk He stole second, and on Macdonald's hit reached turid when Hourier allowed the ball to go by him. Myers scored on a passed ball. Macdonald sole and counted on a "Cincinnati base hit" by Hayes. denald stole and counts nati base hit" by Haye

The Christians counted in the sighth frame when Waiters was safe on Hot-feeker's error. With two down, Charley Broome hit to first, Macdonsid and Riddle crashing together. While Macdonsid was being revived, Waiter counted. Invis pegred out M. Broome, ending the inning.

Tomorrow the same chib's will meet again, with Bell as the buring choice for the Curistians and either Frinke or Dyer for the Bankers.
